

## **September '06 Update**

David and Carla returned to Bratislava, Slovakia on August 2nd. After a couple of days of jet lag, they entertained an unexpected guest and David preached on August 6th. They request prayers for the families they left behind in the U.S.

Their son, Paul, and his wife, Stephanie, left on Sunday, August 20th to serve in Kenya. They have been called to serve in a orphanage in the mountains. They are very happy about this because both of them love working with children. May God bless this young couple as they adjust to a new culture, a new environment and a new work.
