Dear Bethlehem member,

As a reminder, the three needs that are critical to our 8% to 10% increased 2020 budget are:

Landscaping – We need to ensure the proper caretaking of our landscaping by restoring the services we cut in 2019.

Library – We need to continue to make our community library available by properly funding it in our operating budget.

Livelihood – We have wonderful pastors who minister to us and our communities so well! We need to compensate them fairly.

We thank you for your generosity and ask you to prayerfully consider these needs as you fill out this pledge card.
